SRS FoodTag – Digital Labels and Displays

A portable, modern, paperless digital labeling and information solution for **hotels, restaurants, buffets, catering, events and hospitality.**

CENTRALIZED
Update hundreds of tags in seconds automatically.
PORTABLE
No permanent installation.
ENERGY-EFFICIENT
Power used only when updating. 5+ years battery life.
PLUG & PLAY
Quick and easy setup with no complex installation.
AI-POWERED CONTENT CREATION
Translate dish names, calculate calories, suggest allergens and create content faster with AI.

MORE THAN A FOOD LABEL

Food & Buffets
Dish information • Allergens • Nutrition • Multiple languages
Menus & Promotions
Menus • Specials • Offers • Advertising
Hotels & Events
Guest information • Schedules • Conference programs
Retail & Hospitality
Product information • Promotions • Digital displays

TAKE IT ANYWHERE

USB Bluetooth Base Station - No permanent installation required. Connect the compact base station to a laptop or PC and update your FoodTags wherever they are needed—ideal for catering, events, conferences, hotels and temporary installations.
For larger permanent installations, FoodTags can also be managed via a Bluetooth Access Point (AP).

HOW IT WORKS

CREATE → UPDATE → DONE
Create your content → Update one or hundreds of FoodTags → Done.
No printing. No cutting. No laminating.

DESIGNED FOR YOUR BRAND

Logo • Colors • Fonts • Graphics • Layouts
Create a consistent, premium look across your entire operation.

SAVE TIME • REDUCE PAPER WASTE • IMPRESS GUESTS

Metropolitan Court of Budapest, as the Company Registry Court: 01-09-879820

2.8” compact (white) (horizontal)
